

CertiTrust Smart Contract Audit Report

Audit ID: CRTS-AUD-569HX-ZF41

Date: June 2025

Audited Project: Doge Initiative

Smart Contract Address: 0x7c4f9873ab23dd00af49e9da89b44caed3c9f7a9

Summary:

CertiTrust has conducted a Tier-1 integrity audit on the Doge Initiative platform. The smart contract has been verified for secure deposit handling, deterministic payouts, and passive reward logic. All functions conform to Tier-1 contract protocol.

Verified Investment Tiers:

- Basic Tier: \$500 to \$1,125 payout (14 days)
- Gold Tier: \$1,000 to \$2,700 payout (Priority queue)
- Platinum Tier: \$2,500+ to \$7,200 payout (AI Smart Multiplier)

Risk Level: Minimal

Chain: Ethereum (ERC20 standard)

Disclaimers:

This report certifies only the technical structure and integrity of the contract code. It does not constitute investment advice or imply financial guarantees. Users are advised to conduct

independent research.
